

LAMA Member Engagement

Standing Committees

- Standing Committees are composed of LAMA members in good standing to further LAMA goals and objectives in the related subject area
- A Committee Chair will be a Chairman's Circle member
- A Board Member will be assigned to liaison with the Committee.
- Committee activity includes a minimum quarterly update call and activity report out to the Board.
- Committees:
 - Executive Committee
 - Comprised of LAMA Officers and Committee Chairs
 - Quarterly meetings to update on Committee activity, report on LAMA operations and initiatives and review priorities
 - Government Affairs Committee
 - Participate in industry forums and respond to request for comments that cover Regulatory & Policy issues, Security Issues, Cybersecurity, Flight Operations Policy, Technical Policy, Airworthiness & Maintenance Policy and Safety & Accident Investigation
 - Standards Committee
 - Monitor and/or participate in standards development activities (ASTM, EUROCAE, RTCA, SAE, etc) in the development of standards, guidelines, and recommended technical practices
 - Communications Committee
 - Develop and implement LAMA Media and Outreach efforts
 - Provide news update briefings for current LAMA members
